Ms. Harper
The Wyoming Department of Agriculture appreciates you reaching out to us for the review of the proposed project to demolish Fremont School District #2 - Elementary School within the Town of Dubois, WY. After reviewing the information that the land is zoned light industrial and within the town limits of Dubois, we see no impact to the State's agriculture industry and have no issues with the project as presented moving forward.

Thanks again for the information and the ability to review the proposed project.

Sincerely,

Doug Miyamoto
Director
