PESTICIDE APPLICATOR RENEWAL

Commercial Applicators... Renewal season is coming up quick. Please take a look at your pesticide applicator license and verify your expiration date. If your license expires on 1/31/2016 you will be receiving a renewal notice in the mail in the coming month. If you have met the renewal CEU requirement you will just need to verify information, sign and return your renewal form with payment. If you have not met the CEU requirements you will find instructions on the options you have for renewal. Please watch the mail for this information. If you do not receive it in the month of November please contact the WDA at 307-777-3502 to verify your address information. You can access your current CEU counts by clicking on this link: CLICK HERE

You can find the information on the Initial Pesticide Applicator Course and the Renewal Conference by going to the PESTICIDE SAFETY EDUCATION PROGRAM site CLICK HERE .
