CERTIFIED POOL OPERATOR TRAINING

WHAT IS CPO? Certified Pool Operator training is a nationally recognized course, followed by written examination which teaches advanced techniques in safety, water chemistry, maintenance and management. This course is recognized a standard of the industry. The CPO seal of approval is assurance to pool and spa owners, from motels to Olympic sized municipal and college pools, that their facilities and their swimmers are under the supervision of trained/certified professionals. Those who complete the program and examination receive certification and a registration number which is valid for five years.

WHO SHOULD ATTEND?

Pool Managers, Pool Directors, Motel Personnel, Apartment/Condo/Building Managers, Spa Personnel, Maintenance Personnel, Health Club Owners & Directors, Camp Aquatic Staff, Recreation Facility Managers and others who need facts about pool operations.

WYOMING

POOL/SPA REGULATIONS

The State of Wyoming, Department of Agriculture/Consumer Health Services division adopted new public swimming pool and spa regulations in 2003. The regulations require the pool/spa to have a person certified in pool operations. Successful completion of the CPO class will fulfill this code requirement.
