Dear Mr. Myhre

The Wyoming Department of Agriculture (WDA) has reviewed the North Savery Final Environmental Impact Statement and Draft Record of Decision.

Our comments are specific to our mission: dedication to the promotion and enhancement of Wyoming's agriculture, natural resources and quality of life. As the proposed project could affect our industry, citizens, and natural resources it is important that you continue to inform us of proposed actions and decisions and continue to provide the opportunity to communicate pertinent issues and concerns.

Should the Brush Creek/Hayden Ranger District receive an objection, we would appreciate the opportunity to participate as an interested party for all future objection meetings and discussions.

We look forward to continuing to work closely with your staff on this project. If you have questions, please contact Justin Williams, Senior Policy Analyst at 307-777-7067.

Sincerely,

Doug Miyamoto  
Director
