203A Yellowstone Avenue
Cody, WY 82414

Dear Mr. Sharp:

The Wyoming Department of Agriculture supports the November 10, 2010 comments submitted by the Meeteetse Conservation District pertaining to the Lower Wood Fuels and Vegetation Management Project. We agree that an additional public scoping meeting would be beneficial and that harvesting timber is an important vegetation management tool on the Shoshone National Forest.

Please accept these additional scoping comments.

Sincerely,

Jason Fearneyhough
