Dear Stacy A. Stoker:

Following are the Wyoming Department of Agriculture's (WDA) comments pertaining to the letter we received regarding the Teton County Housing Authority (TCHA) development of affordable housing on the Hall Street Property located in Teton County, Wyoming.

Our comments are specific to our mission: dedication to the promotion and enhancement of Wyoming's agriculture, natural resources, and quality of life. As this proposed project may affect our agriculture industry, our natural resources, and the welfare of our citizens, it's important you continue to inform us of proposed actions and decisions and continue to provide us the opportunity to express pertinent issues and concerns.

Seeing as there have been no recent agricultural activities on the four lots or in the general vicinity of the proposed project, the WDA has no reservations with the development of the four lots. However, if the proposed project changes in scope or scale we would like TCHA to notify the WDA.

We appreciate the opportunity to review the scope of the proposed actions.

Sincerely,

Jason Fearneyhough
Director
