The Wyoming Bean Commission (WBC) has established the following criteria for WBC project funding proposal applications, as a method to establish integrated research and development of improved varieties, production techniques, education and market program project priorities according to WS: 11-50-103. Although all criteria may not be applicable to each project application, project proposal applicants are encouraged to carefully consider each of the criteria. An essential part of WBC's project proposal selection process is based on these criteria. You will be required to submit an annual report, including benefits derived from the project.

**PLEASE COMPLETE ALL OF THE REQUESTED INFORMATION IN ALL OF THE SECTIONS APPLICABLE TO YOUR SPECIFIC PROJECT PROPOSAL. Must be received by January 15th or they will not be considered for approval. (The WBC reserves the right to reject any project proposal application that does not provide the requested information, or is otherwise not completed properly.)**
