Mr. Richard Vander Voet, Jr., Field Manager  
Bureau of Land Management, Lander Field Office  
1335 Main Street  
Lander, WY 82520

Dear Mr. Vander Voet:

Following are the Wyoming Department of Agriculture (WDA) comments pertaining to renewal of the Little Horse Creek Allotment (#02110) grazing lease by the Bureau of Land Management (BLM) Lander Field Office (FO).

Our comments are specific to our mission: dedication to the promotion and enhancement of Wyoming's agriculture, natural resources, and quality of life. As this proposed decision affects our agriculture industry, our natural resources, and the welfare of our citizens, it's important you continue to inform us of proposed actions and decisions and continue to provide the opportunity to express pertinent issues and concerns.

The WDA appreciates the effort the Lander FO has devoted to issue new grazing leases. BLM allotments are an integral part of agriculture in the Dubois area. It is important that permittees continue livestock grazing to assist in maintaining economic viability for both producers and communities. In addition, livestock grazing represents irreplaceable environmental and social values, contributing to the preservation of open spaces, scenic vistas, and the traditional image of the historic rural landscapes of Wyoming. Maintaining open spaces provides habitat and less restrictive movement for wildlife than alternative land uses.

In conclusion, we support the continuation of livestock grazing on the Little Horse Creek Allotment and look forward to continued cooperation on proposed actions and decisions.

Sincerely,

Jason Fearneyhough  
Director
